

# PUBLIC SERVICE ACTIVITY REPORT

---

## About This Form

Amateur Radio donates thousands of person hours of supplementary public service communications in civil emergencies, official drills and events such as parades and marathons each year. Such events show Amateur Radio in its best light, and it is critically important that ARRL bring documentation of this public service work to the attention of the Congress, the FCC and other public officials. Your information below is an important addition to the record. Please complete and return this form to the Tom Green County EC. Thank you.
